PROFILE SUMMARY

4th-year BS Information Technology student specializing in Mobile and Web Application Development and a Dean's Lister with experience developing full-stack applications using React, React Native, PHP, and modern web technologies. Skilled in application development, database management, and AI integration, with experience leading teams, coordinating projects, and building practical software solutions through academic and personal projects.

EDUCATION

NATIONAL UNIVERSITY – BALIWAG Baliwag City, Bulacan
BS Information Technology, Specialization in Mobile and Web Application (BSIT-MWA) 2023 – 2027 (Expected)
Dean's Lister, 2023 – Present
Relevant Coursework: Web Development, Mobile Application Development, Database Management, Multimedia

PROJECTS

ANI-GROW: AI-Powered Poultry and Livestock Farming Guide with Data Analytics 2026
Project Manager, QA tester | React, React Native
- Capstone project: a mobile app that helps farm animal caretakers manage poultry and livestock using AI guidance and data analytics
- Supports IoT machines for weight-based segregation and automated feeding of farm animals

TOURGO: Collaborative Group Travel Planning, Destination Discovery, and Itinerary Coordination Platform 2026
Full Stack Developer | React Native
- Built a cross-platform app for group trip planning with join-code enrollment, collaborative itineraries, real-time chat and polls, and shared expense splitting
- Integrated Google Gemini AI for personalized day-plan generation and Expo push notifications; tested on physical Android and iOS devices

BINHI CONCEPT: Lights and Sounds Booking and Management System 2026
Backend Developer | React, React Native
- Built a complete website for lights and sound booking and management, with separate portals for admins, crew, customers/clients, and affiliates
- Includes booking, a price builder, Wishlist, and OTP verification

Other Projects: RNF Trucking Management System (Web, Full Stack); WanderLocal: Itinerary Travel Planner (Web, Full Stack); Together: Group Planning Application (Mobile, Full Stack); GrammarGalaxy: Gamified Web Development Learning Platform (Web, Full Stack); COLM Pulilan Employee Management System (Web, Full Stack); Boycold Café: POS and Inventory (Web, Full Stack) OneCall: Employee and Payroll System (Web, Full Stack) PsycGuide: Student Concern Management System (Web, Full Stack)

ACTIVITIES

NU LITERATES COMMUNITY – NU BALIWAG Baliwag City, Bulacan
Auditor 2024 – 2025
- Audited the organization's financial records and reports to verify accuracy and transparency in fund usage
- Reviewed receipts, budgets, and expenses

Class Representative 2023 – 2024
- Served as the liaison between students and faculty, relaying concerns, announcements, and academic requests
- Coordinated class activities, deadlines, and documentation with instructors and department officers
- Represented the class in [meetings/events/student council activities]
